

## Fiera Capital Marks International Women's Day

Fiera Capital is pleased to join the celebrations for International Women's Day to honour the progress made for women's rights and continue to build a world where gender equality is the established norm in our society

**Montreal, March 9, 2020** – Fiera Capital Corporation (TSX: FSZ) ("Fiera Capital" or the "Firm"), a leading independent asset management firm, is committed to promoting diversity and supporting female leadership.

This year, the theme for International Women's Day is "Each for Equal," emphasizing that each of us can contribute to creating a more egalitarian society. We are proud to see the growth of women, not only within our Firm, but also in the asset management industry as a whole.

Over the past years, Fiera Capital has undertaken several initiatives that demonstrate our commitment to advancing the status of women:

1

In the fall of 2018, **Fiera Capital was one of the founding members of Nicsa's Diversity Project**, an industry initiative aimed at accelerating progress toward an inclusive culture. Monique F. Leroux, Strategic Advisor and Member of the Strategic Development Committee at Fiera Capital is also a member of Nicsa's Diversity Project CEO Advisory Council.

2

In December 2018, we launched **our Global Respect and Inclusion Policy** to formalize our commitment to diversity and inclusion.

3

**We have created the new CSR Committee** dedicated to promoting diversity, environmental initiatives and employee community involvement.

4

**Our teams around the world are also active and engaged in many local initiatives that promote the advancement of women.**

In 2020 and in the coming years, we intend to launch several other initiatives and further strengthen our efforts to promote diversity and respect in the workplace.

### Celebrations at our offices worldwide

To mark International Women's Day, our teams will be organizing local activities in our offices worldwide. In addition, members of our Global Management Committee will be meeting with women who hold various positions within our firm. Their testimonials will then be shared throughout the month of March on Fiera Capital's Career page.

We would like to take this opportunity to recognize the contributions of the 333 women who work at our Firm. By joining the **#EachforEqual** movement, Fiera Capital is reiterating its commitment to fostering a world of equality and inclusion and a workplace free of any form of discrimination.

By working together, we can make equality and diversity a tangible reality in our workplace.

Let's be **#EachforEqual**!
